## **Charleston Chapter Newsletter      Sept 2011**

### *THE PRESIDENT'S MESSAGE*

We are excited to get started on a new year for the SCSPE Charleston Chapter. We will begin the year with a PDH luncheon presentation by Mr. Jim Armstrong, Charleston County's Director of Transportation Development, on the Transportation Sales Tax Program. We look forward to seeing you there.

We will have our traditional BBQ/licensing presentation for Citadel cadets in October. This Chapter is proud to be able to continue our support of the MathCounts program as well as the Lee Clippard Memorial scholarship for the 2011-2012 year.

Please look for additional information in the coming months for ways you can help these worthwhile programs.

Kyle

**PDH luncheons are an important function of our Chapter. They allow us to get together for fellowship and networking and provide education on engineering topics and development in our area. We are always on the look out for presentations that will be interesting to our diverse membership. If you have ideas for future topics or speakers, please let a board member know.**

#### **2011-2012 Officers**

Kyle Murrell – President
